I address this plea to the patriotic men and women of this city in connection with our local Buddy Poppy sale. When you buy a V.F.W. Buddy Poppy, remember it is America's memorial flower; remember that you are buying it to wear on Memorial Day in memory of our country's war dead—the men who died that America might live. Remember, too, that when you buy a Buddy Poppy, you are sharing with the Veterans of Foreign Wars of the United States, once a year, their voluntary responsibility of caring for the nation's disabled veterans and for the families of such veterans. Remember that a share of your contribution will go to the V.F.W. National Home at Eaton Rapids, Mich., as a gift to the orphaned children of men who have served this nation with honor in time of war.

In behalf of America's great army of hero dead—our disabled veterans, and their dependents—it is our earnest hope the patriotic citizens of this community will respond generously—honor the dead by helping the living.

EDWARD R. VEAZIE, Mayor.

[EDITORIAL]

THOSE BICYCLE RIDERS

The suggestion made in this column Tuesday that bicycle riders be barred from Main street during the Summer rush is one that is also evidently occupying the attention of other cities where traffic and safety are matters of moment. The appended item is from the State Chat department of the Lewiston Journal:

It is suggested at Ellsworth that bicycle riding on the business streets be prohibited, in the interest of safety. Double-riding also might well be forbidden, as well as sidewalk trips.

A BELFAST AIRPORT

Belfast is happy over the fact that it will soon have a municipal airport. Work began Tuesday with a force of 40 men, soon to be increased to 200. When that Frankfort airport materializes Waldo County would seem to be well supplied. Knox County counts itself fortunate to have one.

THE PRESIDENT CAPITULATES

Double-barreled Thanksgiving Days will pass out of the picture in 1942. President Roosevelt frankly admitting that the advanced date has failed to accomplish its purpose—which was to create a longer interval between Thanksgiving and Christmas for the supposed benefit of the nation's business. The United States Conference of Mayors also made a study, but the mayors were divided on whether sales had been helped, the Chief Executive asserted. The net results of the surveys made it appear that Thanksgiving had little relation to business. The President smilingly admitted that the experiment was unsuccessful. A considerable number of the States, Maine among them, failed to adopt the advanced Thanksgiving holiday, preferring to stick to the traditional date.

MAJORITY FAVORING CONVOYS

The Gallup poll shows a national upswing in favor of using American convoys. In April 50 percent thought the Navy should not be used to guard ships carrying war materials to Britain; 41 percent favored the proposition and nine percent was undecided. Today 52 percent favors convoys, 41 percent is in opposition and seven percent remains undecided. It seems to be a case of what we would like to do versus what we must do.

ANOTHER WOMAN COMES

In Cumberland County Superior Court Tuesday a two-year prison sentence was meted out to a woman who had been convicted of forgery. It has been several years since the penitentiary at Thomaston has had a feminine inmate, and the spoiling of this record is unfortunate to say the least.

STRIKE REPORT DENIED

From the proprietor of the Hughes Woolen Mill in Camden comes a vigorous disclaimer that anything in the nature of a strike had preceded the granting of the wage increase announced in Tuesday's edition of this newspaper. The information came on seemingly good authority, and that it should have been published erroneously is a matter of regret both to the owners and to us. The granting of a wage increase is fortunately, correct.

NO "WELCOME" ON THAT DOORMAT

Col. Charles A. Lindbergh was scheduled to speak in Philadelphia May 29 under the sponsorship of the "America First" committee but was denied the use of the Academy of Music for that purpose. Turn back the pages to that period of hectic acclaim following his flight to Paris, and imagine such a thing possible. What changes time has wrought!

RETIREMENT REGRETTED

Justice Herbert T. Powers' forthcoming retirement from the Superior Court bench—some time before his 71st birthday, Nov. 13—will be a matter of universal regret throughout the State, for that able jurist and fine gentleman has made many friends all over the circuit. Aroostook County has had every reason to feel proud of its favorite son.

SOUTH PORTLAND'S LUCK

"It never rains but it pours," runs the old adage, and this is certainly true of South Portland, where there are many years of prosperity ahead for its wonderful new shipyard, and where they are soon to erect six huge storage tanks as a base for the 250-mile Portland to Montreal pipeline. If neighbor Portland doesn't watch out the present State metropolis will rank second in population and business to its ambitious neighbor on the south.

UNDER NOBODY'S THUMB

A letter sent by Wendell Willkie to Chairman George of the Senate Foreign Relations Committee is republished in a Finnish newspaper which was left on our desk yesterday. Mr. Willkie makes it very plain that Finland is not subjugated country, but is operating under its own government, and not subject to control of other nations. The loyal Finnish people have a faculty of standing on their own feet.

MORNING'S NEWS IN A NUTSHELL

German troops are pouring into Crete by parachute, transport planes and small boats. Forty thousand men are said to be poised in Greece waiting to join these forces. Greek refugees are arriving in Turkey. The British are reported to have captured the Iraq garrison. Washington is skeptical about the current peace rumors in Europe, believing that the Democracies must see things through. With the manufacture of 500 bombing planes a month in this country air mastery is foreseen for the democracies. Strikes have been settled in nine Pacific coast shipyards. Shirley King, Dexter store manager, was fatally injured in an airplane crash yesterday.

St. John's Day Plans

Claremont and Camden Commanderies Will Probably Join In Bath Outing

Plans were nearly perfected by the Kennebec Valley St. John's Day Observance Association Sunday when a meeting of representatives from the two commanderies was held with St. Omer commander, Knight Templar, Waterville, to consider the observance of St. John's day, June 24. So much enthusiasm was manifested in a repetition of last year's observance that it is believed there will be a much larger attendance.

The plan calls for a general assembling of the commanderies at the asylum of Dunlap commandery in Bath during the morning. There will be a parade after which the members will board motor boats for a sail to Oak Point, Boothbay, to Kown may prepare the clambake as he did last year. A buffet lunch will be served at Masonic temple in Bath upon returning from the seashore and the evening program will be turned over to vaudeville.

The Association re-elected Carl E. Albee of Dunlap Commandery its president, and Maurice H. Blanchard of St. Omer commandery secretary and treasurer. The commanderies in the Association are: Maine, No. 1, Gardiner; Dunlap, No. 5, Bath; Trinity, No. 7, Augusta; Claremont, No. 9, Rockland; DeMolay, No. 10, Skowhegan; St. Omer, No. 12, Waterville; Palestine, Farmington; Strathglass, No. 21, No. 14, Belfast; Pilgrim, No. 19, Rumford; Camden, No. 23, Camden, —Bath Times.

Honors Came Fast

Graduate of Camden High School Winning Them At Bates

David A. Nichols, son of George Nichols of Lincolnville, was one of seven Bates College juniors elected to membership in Delta Sigma Rho, national honorary debating society, according to announcement of special honors in Chapel exercises here today.

Other honors announced were elections to the College Club, highest honor given to senior men, and to Bates Key, feminine counterpart to the College Club. Both organizations are honorary service clubs. Elections to Phi Beta Kappa and honor awards for scholastic attainments in major departments were also announced.

Nichols graduated in 1933 from Camden High School where he was active in debating and graduated with honors.

At Bates he has been on the varsity debate squad since his freshman year and has just been elected manager for men for next year. He is a member of the Debating Council, active in public speaking and on the staff of the college newspaper. Next year he will serve as vice president of the Publishing Association.

NURSES TO MEET

Refresher Course For Graduate Nurses To Be Outlined May 28

The West District of the Maine State Nurses' Association will meet at the Queen's Hospital Nurses' Home, Portland, Wednesday, May 28 at 7:30 p. m. Miss Margaret M. Jones, newly elected president will preside. Brief reports of the New England division convention will be given. This convention was held in Hartford recently. The program will consist of an illustrated lecture entitled "The National Parks of America" to be given by Rev. Wallace Anderson, pastor of the State Street Congregational Church, Portland; and Dr. Stephen S. Brown, director of the Maine General Hospital will outline the refresher course for graduate nurses to be given in the near future at the Maine General Hospital.

Mrs. Alice Farnham of Granite City Lodge of Hallowell was pianist and Mrs. Ruth Hooper of Granite City Lodge was soloist. Miss Annie M. Rhodes and Harry E. Willbur were the candidates, and the degree work was done by the staff from Granite City Lodge. Mrs. Victoria Clements, accompanied by Mrs. Marguerite Johnson sang a solo, and unique candy corsages were presented to each of the guest officers.

Mrs. Susie Davis was chairman of the supper, the dining room attractively decorated in Spring colors and flowers.

Blueberry men, as well as other farmers, will be interested in the woodchuck control demonstration by use of cartridges which will be held at Henry Kontos' farm, Rockport, May 26 at 1:30 p. m., daylight time. Max Turner, a representative of the United States Biological Survey Department, will assist Ralph Wentworth, county agent, with the demonstration. Cartridges for use in this work will be available at the demonstration for anyone who wishes to try them out on his own farm. A supply may also be obtained at the Farm Bureau Office, Rockland.

Gift From Baxter

Former Governor Presents Valuable Relic to Knox Memorial Association

A cabinet-mirror has been presented to Knox Memorial Association by Hon. Percival P. Baxter, who called at Montpelier Sunday. This cabinet-mirror was a wedding gift to Miss Fluker, the wife of General Knox, and descended to Admiral Thatcher, her son-in-law. It came from the house of General Knox at Thomaston after the admiral's death. Originally, it was a handsome piece of Japanese lacquer. It was purchased by James Phinney Baxter (1831-1921) about the year 1880, and by him was given to his son Percival P. Baxter, governor of Maine from 1921 to 1925. Mrs. Carl F. Snow, president of the Knox Memorial Association, has reported that interest in Montpelier has increased a great deal, and that this season it was necessary to open the doors earlier. Two groups of Vinalhaven 4-H Club members were shown through the beautiful mansion, and 200 school pupils will visit there during this week.

Bowlers Relaxed

Fourth Annual Banquet of Community League—Prizes Awarded

The fourth annual bowling banquet of the men's Community league was held Tuesday night at the Elks Home, 145 members and guests present. A delicious turkey dinner started the evening off, amid merriment and music, Arthur Crockett and Walter Griffin playing accordians. By special request John Mills did an excellent clog dance. Cigars were passed around, and the party adjourned to the lodge room, where speeches were heard and awards made.

Raymond Bowden took over in his master role of toastmaster, and called upon representatives of each team in the two leagues, among them being Lawrence Miller, captain of the National league champion Kiwanis Club; Roger Jameson and Wesley Ryder, Argemour's; Harold Leeman, Swift's; Frank Hollowell, Fellers; Johnny Walker, Rice Co.; Sol Bernstein of Van Baalen, who amassed the smallest average in the league; Lanscom Miller, Old Timers; Luther Glidden, Coco Cola; Roy Danielson, Good Gulf; Cliff Witham, Water Company. From the American League he called on James Connellan, manager of the champion Post Office team; A. C. McLoon, manager of runner-up Texaco team; Vance Norton and Kenneth LeGage, Perry's Markets; Fred Gatcombe and Langdon Crockett of Snow's Shipyard; Maurice Harding, Wonders; George Sleeper, Mid-Town Cafe; Fred C. Black, Elks; Roy Mank, McIntosh's Ice.

Guests who spoke briefly were Raphael S. Sherman, Cleveland Sleeper and Alton LaChance, and there were several extemporaneous speeches by other members of the teams. As a special part of the program, lights were dimmed and everyone stood in silent tribute to the late John L. Thomas, "dean of Rockland bowlers."

Many prizes were awarded, the presentations being made by James J. Flanagan. Mr. Connellan received the championship cup for the Post Office, and Lawrence Miller another trophy for the Kiwanis Club. A. C. McLoon, of Texaco and Mr. Walker of the Rice team, received awards for their teams for second places in the two leagues. For high averages, prizes went to Roland Rackliff, Roy Hobbs, Clarence Carr, Charles Cargill, Roy Mitchell, Dick Pery, Win Chatto, Vance Norton, George Sleeper, Dr. Gilmore W. Soule, Sherwood Williams, Nick Anastasio, Lawrence Miller, Russell Stewart, Lawrence Cole, Milton Benner, Edward Barnard, John H. McLoon, Earl Cook, Harry D. Phillips, Charles Lawry, Roy E. Danielson, Fred C. Gatcombe, Kenneth Legage and Gerald McPhee.

Prizes for the high team single in the American league went to the Post Office, 556; in the National league, the Kiwanis, 531. In the American league the government boys also won high team total of 1522, and Rice and Coco Cola tied with 1475 for the honor. Roy Mitchell received the award for the high individual single string, 155, in the American league, and Frank Thomas had 134 for the National. The high individual total was a tie between Rackliff and Mitchell, 352, and Luther Glidden had 347 for high in the National. Special awards were presented to the official scorers, the Misses Mary Sylvester, Josephine Farrington, Virginia Willis and Julia Littlefield; to the pin boys, Bill Murgita, John Smith, Robert Harmon and Robert Dolham; and to Roy Danielson, who has kept the league records.

So another successful bowling season has ended, that has held the interest of about 140 men actively, and many fans as well. Competition has been keen, but best of all, it has been a game of good sportsmanship, and everyone is looking forward to the fifth season.

SPRING
Spring, the sweet Spring, is the year's pleasant king;
Then blooms each thing, then maids dance in a ring,
Then do all things by ding, the merry May come in.
Cuckoo, jug-jug, pu-we, to-witta-woo!
The palm and may make country houses gay,
Lambs frisk and play, the shepherds pipe all day,
And we hear aye birds tune this merry lay,
Cuckoo, jug-jug, pu-we, to-witta-woo!
The fields breathe sweet, the daisies kiss our feet,
Young lovers meet, old wives a sunning sit,
In every street these tunes our ears do greet,
Cuckoo, jug-jug, pu-we, to-witta-woo!
Spring! the sweet Spring!

"The Black Cat"

By The Roving Reporter

E. H. Philbrick answers the egg puzzle appearing in Thursday's issue by saying there were 21 eggs in the basket. He figures it like this:
Two out 10 times (20) one left;
four out five times (20) one left;
five out four times, (20) one left;
seven out three times, none left.

Col. Frank P. Sibley of the Boston Globe will be interested to know that his old neighbor, George F. Nichols of St. George was among The Black Cat's callers Tuesday. "Sib" and Nichols were once neighbors in Chelsea, Mass., and the Colonel probably kept track of the latter's municipal activities while he was in the Everett City Government and Fire Department.

The egg problem recently republished in this column from an old copy of The Courier-Gazette evidently excited much interest on the part of those who like to rack their brains over such matters. "There might have been 301 eggs in the basket," writes Mrs. Carrie E. Paige from Washington, D. C. And that's the conclusion reached by "W.R.W." of North Waldoboro. A Jay See of Union, who is by the way of being very smart in mathematics—"My method," he writes, "is simply 2x3x4x5x6+1 equals 721, showing that the number of eggs left is a remainder using also three as a division."

That must have been a wonderful egg basket, as Florence Weaver wants to know if anybody tried 1561 eggs, which, she says, can also be counted out by threes, with one over.

A. A. See of Thomaston, an undoubted relative of A. Jay See writes:

"Seven is the number in question, as all the others must have one left over. Also we know the answer must end in 1, because if 2, 4, 6, 8 or 9 are used the number will be divisible by 2 but 1 will not be left over. If it ends in 3, 5, 7, or 9, when divided by 5 the required 1 would not be left over; therefore it must end in 1."
"The first number ending in 1 and divisible by 7 is 21 and the second number is 91. The difference between these two numbers is 70. As neither of these numbers are correct add 70 each time until the required number is found; that is, 91 plus 70 equals 161, plus 70 equals 231, plus 70 equals 301, which is the correct answer."
"Another solution: It so happens that 21 meets all the requirements except being divisible by 6. 161 is the next number that meets this requirement, and the difference between 161 and 21 is 140; therefore add 140 to 161, which equals 301, which is the required number. 301 plus 140 equals 441, plus 140 equals 581, plus 140 equals 721. Continue the process on indefinitely and you will find 1561, 2401 and many others which are also correct numbers."

Frank A. Winslow of The Rockland Courier-Gazette speaks of mackerel as "speckled beauties." Have the Maine mackerel got the measles?—Ed. Pointer in the Boston Globe.

Now that's what I get when a feminine member of the staff gets to commenting upon seagull fish. However I am not seeking to pass the buck, and I think mackerel would still appeal to me if it did have the measles.

George Brewster of Yakima, Wash., who sends three one-dollar bills for his subscription says he had to wait several days to accumulate these bills as they use mostly silver dollars.

You can't eat too much sauerkraut. Nobody has that much capacity.—Ed. Pointer in the Boston Globe.

Try a sprinkling of sugar on it, and maybe you will eat another keg.

Three Knox County Girls Won Special Mention At The Horse Show

Having passed her preliminary test for the Beginner's class, Cynthia Rich, who is only in the Seventh Grade at Oak Grove, won honorable mention at the horse show Saturday. She is the daughter of Mr. and Mrs. Walter J. Rich Jr., of Richmond Farm, Camden.

All of the places in the Beginner's class were won by upper classmen, and Miss Rich had strong competition.

Marie Berry, daughter of Mr. and Mrs. Charles H. Berry of Talbot avenue, Rockland, and a member of the Eighth Grade at Oak Grove, won the blue ribbon in the Intermediate Group riding Fleet-foot. Mr. and Mrs. Berry were at Oak Grove to enjoy the horse show.

In the Advanced class, where the competition is extremely keen among girls who have been at Oak Grove for four years, Joan Perry of the Sophomore class went ahead of many Seniors to win honorable mention for her fine horsemanship. Miss Perry was also one of the students selected to demonstrate the picturesque Cossack riding between the Intermediate and Beginners

Rockland High Had 20 Points To Spare In Knox-Lincoln Track Meet

Rockland High School ran up a score of 62 points against Lincoln's Academy's 42 yesterday in a track meet at Knox Trotting Park. The record, previously 103 feet, was broken by three contestants. East of Rockland taking first place with 111 feet, 2 1/2 inches. Snow of Rockland placing second and Humason of Lincoln third.

Elmer Small of Rockland was high point man with 14 points, and East of Rockland, and P. French and Humason of Lincoln Academy tied for second place each with 10 points.

Sidney Cullen was starter, Bruno Mazzeo timer, and Charles Huntley the scorekeeper. The summary:

100-yard dash—F. French (L) 1st; Small (R) 2d; Snow (R) 3d. Time, 11.1 sec.

220-yard dash—Edwards (R) 1st; Humason (L) 2d; F. French (L) 3d. Time, 25 sec.

440-yard dash—Edwards (R) 1st; Brown (L) 2d; Snow (R) 3d. Time, 58 sec.

880-yard dash—Dodge (L) 1st; Smith (R) 2d; Butler (R) 3d. Time, 2 min. 19 1/2 sec.

1 mile run—Smith (R) 1st; J. French (L) 2d; Oliver (L) 3d. Time, 5 min. 8.1 sec.

High jump—Dow (R) and F. French (L) tie for 1st; Cooper (L) and Paige (L) tie for third; height, 5 feet, 3 inches.

Broad jump—Small (R) 1st; Dow (R) 2d; Economy (R) 3d. Distance, 18 feet, 7 inches.

Pole vault—Small (R) 1st; Coffey (R) and Humason (L) tied. Height, 8 ft. 10 in.

Javelin—East (R) 1st; Dodge (L) 2d; Small (R) 3d. Distance, 131 ft. 7 in.

Shot put—Humason (L) 1st; McConchie (R) 2d; Snow (R) 3d. Distance, 36 ft. 2 1/2 in.

Discus—East (R) 1st; Snow (R) 2d; Humason (L) 3d. Distance, 111 ft. 2 1/2 in. (record).

The relay race was won by Lincoln Academy.

Thomaston 10, Camden 6

Mr. John Dungan Simpson held Camden to eight hits as Thomaston triumphed 10-6, to keep first place in the Knox-Lincoln League standings.

Simpson hooked up with Bracy in a tight hurling duel at windswept Camden Park and it was Camden's right fielders' generosity which helped Thomaston win.

Little Dicky Staples slammed out a homer, that would have gone over the wall in Penway Park.

George (Jumbo) McFarland worked the last three frames for Camden.

McGrath, Merchant, and Wright were the Camden stars, and Staples, with four hits, was Thomaston's.

Dick French, former High School star, who has since done such efficient work for the Samoset team and Pirates, pitched the Quebec team to a 11 to 5 victory the other day. Better still he made three hits in four trips to the plate.

Tuesday Rockland High School sailed to Vinalhaven to win a victory by 11 to 3. Vinalhaven remained scoreless until the fifth inning, when one run was scored, and then again in the ninth two crossed the plate. The score:

Two Joy Rides

Park street, and it was divulged that two High School boys had taken it for a joy ride. Driving down Talbot avenue, they knocked down two stop signs and finally ended up on the lawn of Dr. Brown's residence on Beech street. Both were inexperienced drivers, and were unable to get the car back into the road, so they deserted it, leaving the motor running.

The case was investigated by Carl

Christoffersen, who took fingerprints left in the car, but was unable at that time to identify the culprits.

Tuesday noon, another car was taken from Post Office square by an unknown party and after the city and State police had been notified, State Patrolman H. Gil Roper found two boys on Old County road who were alleged to have taken the car. In court yesterday, they were fingerprinted, and it was found that these fingerprints were identical with those left in the first car stolen.

The boys finally admitted taking both cars, and were placed on two year's probation.

Private Harry L. Gurney of Appleton has been sent from Headquarters Westover Field, Chicopee Falls, Mass., to the New England Aircraft School, Boston, as an airplane mechanic. He has been assigned to the 36th Materiel Squadron for the purpose of maintaining a career in the U. S. Army Air Corps. Private Gurney is a son of Mr. and Mrs. Z. C. Gurney of Appleton. He graduated from Appleton High School in 1936, and in athletics has specialized in weightlifting, boxing, wrestling, basketball and baseball.

Winners At Oak Grove

Three Knox County Girls Won Special Mention At The Horse Show

Having passed her preliminary test for the Beginner's class, Cynthia Rich, who is only in the Seventh Grade at Oak Grove, won honorable mention at the horse show Saturday. She is the daughter of Mr. and Mrs. Walter J. Rich Jr., of Richmond Farm, Camden.

All of the places in the Beginner's class were won by upper classmen, and Miss Rich had strong competition.

Marie Berry, daughter of Mr. and Mrs. Charles H. Berry of Talbot avenue, Rockland, and a member of the Eighth Grade at Oak Grove, won the blue ribbon in the Intermediate Group riding Fleet-foot. Mr. and Mrs. Berry were at Oak Grove to enjoy the horse show.

In the Advanced class, where the competition is extremely keen among girls who have been at Oak Grove for four years, Joan Perry of the Sophomore class went ahead of many Seniors to win honorable mention for her fine horsemanship. Miss Perry was also one of the students selected to demonstrate the picturesque Cossack riding between the Intermediate and Beginners

Rockland High School ran up a score of 62 points against Lincoln's Academy's 42 yesterday in a track meet at Knox Trotting Park. The record, previously 103 feet, was broken by three contestants. East of Rockland taking first place with 111 feet, 2 1/2 inches. Snow of Rockland placing second and Humason of Lincoln third.

Elmer Small of Rockland was high point man with 14 points, and East of Rockland, and P. French and Humason of Lincoln Academy tied for second place each with 10 points.

Sidney Cullen was starter, Bruno Mazzeo timer, and Charles Huntley the scorekeeper. The summary:

100-yard dash—F. French (L) 1st; Small (R) 2d; Snow (R) 3d. Time, 11.1 sec.

220-yard dash—Edwards (R) 1st; Humason (L) 2d; F. French (L) 3d. Time, 25 sec.

440-yard dash—Edwards (R) 1st; Brown (L) 2d; Snow (R) 3d. Time, 58 sec.

880-yard dash—Dodge (L) 1st; Smith (R) 2d; Butler (R) 3d. Time, 2 min. 19 1/2 sec.

1 mile run—Smith (R) 1st; J. French (L) 2d; Oliver (L) 3d. Time, 5 min. 8.1 sec.

High jump—Dow (R) and F. French (L) tie for 1st; Cooper (L) and Paige (L) tie for third; height, 5 feet, 3 inches.

Broad jump—Small (R) 1st; Dow (R) 2d; Economy (R) 3d. Distance, 18 feet, 7 inches.

Pole vault—Small (R) 1st; Coffey (R) and Humason (L) tied. Height, 8 ft. 10 in.

Javelin—East (R) 1st; Dodge (L) 2d; Small (R) 3d. Distance, 131 ft. 7 in.

Shot put—Humason (L) 1st; McConchie (R) 2d; Snow (R) 3d. Distance, 36 ft. 2 1/2 in.

Discus—East (R) 1st; Snow (R) 2d; Humason (L) 3d. Distance, 111 ft. 2 1/2 in. (record).

The relay race was won by Lincoln Academy.

competitions.

Besides the actual riding in the ring, each student was judged on her skill in mounting and dismounting, was examined in general knowledge of horsemanship by the judges, and had taken a test the previous day.

In the May issue of Telephone Topics, appears pictures of the Post Communications Center at Camp Edwards, Mass. and in one scene is Corp. John Moulaison of this city, who is manager of the Western Union branch in the Signal Corps, and whose title is Chief of Message Center. Several photos were furnished by The Courier-Gazette's staff photographer, Sidney Cullen.

Rockland High School triumphed 10-6, to keep first place in the Knox-Lincoln League standings.

Simpson hooked up with Bracy in a tight hurling duel at windswept Camden Park and it was Camden's right fielders' generosity which helped Thomaston win.

Little Dicky Staples slammed out a homer, that would have gone over the wall in Penway Park.

George (Jumbo) McFarland worked the last three frames for Camden.

McGrath, Merchant, and Wright were the Camden stars, and Staples, with four hits, was Thomaston's.

Dick French, former High School star, who has since done such efficient work for the Samoset team and Pirates, pitched the Quebec team to a 11 to 5 victory the other day. Better still he made three hits in four trips to the plate.

Tuesday Rockland High School sailed to Vinalhaven to win a victory by 11 to 3. Vinalhaven remained scoreless until the fifth inning, when one run was scored, and then again in the ninth two crossed the plate. The score:

The Rotary Club will observe Past Presidents' Day tomorrow.

The Maine Sheriffs Association holds its monthly meeting in this city tomorrow with a noonday banquet at Hotel Thorndike.

The Scribblers' Club annual dinner will be held Monday at 6:30 at Green Gables, Camden. Reservations should be made with Mrs. Zelma Dwinall.

Harry L. Sanborn of Portland was a visitor in the city yesterday. Seriously ill during the Winter, he is now showing decided symptoms of physical improvement.

Ephraim U. Lamb, 51, died Tuesday, and funeral services will be held today at 2 o'clock from Burpee funeral home. Survivors are his wife, a daughter, and two sisters, Mrs. Colby Moore and Mrs. James Gates.

In the current issue of the Saturday Evening Post is a highly interesting article concerning Thomas J. Watson, a Summer resident at Camden. Mr. Watson is president of the International Business Machines Corporation, honorary president of the International Chamber of Commerce, and trustee of the Carnegie Endowment for International Peace. He is a patron of the Arts and higher education.

The Lewiston Journal commenting upon the death of Franz M. Simmons says: "Thereby the light harness game lost one of the finest gentlemen who ever climbed into a sulky. Franz and Mrs. Simmons lived in Lewiston a great deal during their racing seasons and have a great many friends in this locality. Franz was a soft spoken gentleman, who in his day was one of the best trainers and drivers in the East. He had the respect of everyone who knew him. His passing will be truly felt and regretted."

The annual meeting of Chapin Class was held Tuesday night. Supper was served to 25 members followed by the business meeting at which the following officers were elected: President, Mrs. Freda Brackett; vice president, Mrs. Faith Berry; treasurer, Miss Ellen Cochran; secretary, Mrs. Grace Daniels. Work committee, Mrs. Deilah Cunningham, assisted by Miss Jennie Trussell, Mrs. Kathryn St. Clair, Miss Harriet Parmelee, Mrs. Emma Hall and Mrs. Blanche Calderwood; picnic committee, Mrs. St. Clair; program committee, Miss Alice Fuller. A large amount of charity sewing and Red Cross work has been accomplished. The first picnic of the season will be held June 3 at the Crescent Beach cottage of Mrs. George L. St. Clair.

Some remarkably fine magazines devoted to National Defense have come to the editor's desk. One is entitled "All Out for Defense," and its splendidly illustrated pages tell of the tremendous importance which the American Telephone & Telegraph Co. and its Associated Press are playing in this country's war preparations. The other book, similarly illustrated, features the contributions which the Timken Roller Bearing Company is making.

Wherein a Pinch-Hitter Bats To Satisfaction of the Leonine Bleacherites

"Things are going to be different," said Rev. Dr. Guy Wilson, discussing the world of tomorrow.

Rev. Dr. Guy Wilson appeared in the role of pinch hitter at yesterday's luncheon of the Rockland Lions Club, and, as usual, batted for a thousand.

Dr. Wilson discussed the problem of what we are going to have tomorrow — reaching the conclusion everybody reaches that things are going to be different. It was a lobster dinner, so appetizing that some of the hungry members almost tackled the shells. Howard Crockett, the song leader, didn't, for perfectly obvious reasons. He did a surprisingly good job with the music however, and was by no means on his uppers.

A visitor yesterday was Arthur Alaure, the popular manager of Park Theatre who was manifestly surprised at the agility shown by his host "Danny" Dandaneau, in giving the Lions roar. Visiting Lions were Major Eugene Merrill, U.S.A., a past King Lion of the South Portland Lions Club; and Rev. William E. Berger of Camden.

An interesting feature of the program was the presentation of a master key to Lendon C. Jackson, Jr., who had secured two new members during the year.

The nominating committee reported the following officers for the coming year:

President — Lendon C. Jackson, Jr.
First Vice President — Rev. Ernest O. Kenyon.
Second Vice President — Sam Savitt.

Secretary — Bradford F. Burgess.
Treasurer — John W. Trott.
Lion Tamer — Howard P. Crockett.
Tail Twister — Lawrence Dandaneau.

Directors, Robert C. Gregory and Robert M. Allen.

The nominating committee included A. W. Gregory, Wilbur Senter and Earle C. Ludwick, who suggested that the incoming officers attend the Lions' State Convention Friday and Saturday in Portland.

The election takes place in two weeks.

Eugene Stoddard edits the Lions Tale for the coming week, and Frank A. Tirrell, Jr., for the following week.

The speaker at this meeting was to have been Warden Welch of the State Prison. Humorously alluding to the fact, his substitute, Dr. Wilson, allowed that instead of being taken to Prison the members were going to be taken to Heaven.

"We have a whale of a job to fix things up if and when the present fracas is over," said Dr. Wilson.

The present war is a Gospel of Hate—a terrible scourge and lash laid on our backs from Central Europe. We cannot fully realize that the world today is in the condition we find it. The stigma which marks the present regime beggars description.

"What about the world economically, tomorrow?" asked the speaker, answering his own query with the declaration that he had heard nothing lately about balancing the budget.

"Mortgages," he said, "may be paid off with something wheeled down the street—so much worthless paper."

What about the religious future? One faction, headed by Hoover, says "send foodstuffs to the starving of Europe." The majority of the religious forces say: "No, we can't do that; it's true we are our brothers' keepers, but it would encourage Germany to continue its program."

Speaking of conscientious ob-

jectors, the pastor expressed surprise that some of the young clergymen have refused to at least register. He quoted another clergyman as being surprised, also, because there are so many preachers possessing the qualifications, but such a shortage of chaplains for the service.

Different views are expressed as to the League of Nations. Who is going to sit around the table when the present difficulties are adjusted?

"What will the religious life be?" asked Dr. Wilson. "No one knows, except that it will be different. We do not know in what way to serve the Lord until we come hither."

A visitor in the city Tuesday night was Elden W. Hanks of Augusta, well known to the preceding generation as a promoter of some remarkable racing and boxing events, being associated with Tex Packard for three years. Just at present, according to his business card, he is "Ace of American Fire Experts," dealing with the British government for quantity lots of his product. He had hoped to have a chat with his old friend M. Frank Donohue, but the length of his stay in Rockland did not permit.

Recruiting for the Rockland company in the Maine State Guard is in order at the Spring Street Armory Friday and Tuesday nights from 7.30 to 9. Captain Lawrence Mansfield expresses satisfaction over the calibre of those already enlisted, but would like to see the recruiting speeded up. Fifty men are desired, but regular training will begin with 40. Men of draft age who have been put in Class 3 by their draft boards, are especially desired. Among the most recent enlistments is that of David C. Hughes of Waldoboro, who served with the Royal Engineers in the British Army during the World War and who has since served two enlistments in the 15th Infantry in the Florida National Guard. "Spirit like that is what counts," remarked Captain Mansfield to The Courier-Gazette reporter.

Besides his wife Mrs. Elizabeth Torrey, he leaves a son D. Wellington Torrey Jr., and a daughter Mrs. Helen Stoddard, several grandchildren and great-grandchildren.

GEORGES RIVER ROAD

Miss Ina Anderson, student at Maine School of Commerce, Bangor, spent the week-end at her home here.

The condition of Jack Maki of Thomaston, who was seriously burned last week when an oil burner stove exploded, is improved. He is a patient at Knox Hospital.

Ostensibly a recent meeting of the Sewing Club with Mrs. Mildred Harjula, hostess, proved to be a surprise shower for one of the members, Mrs. Mary Harjula. Refreshments were served and the guest of honor received many lovely gifts. Those present were Mrs. Alma Duley, Mrs. Ida Part-

Orators In Contest

Vinalhaven and North Haven High Schools Pit Their Powers

The most enjoyable event of the week at Vinalhaven was the prize speaking contest by students of Vinalhaven and North Haven High Schools. It was held Monday night in Union Church, the auditorium being filled to capacity.

Huge baskets of Spring flowers were used for decoration. The address of welcome was delivered by Kenneth Anderson, who also announced the program, selections on which were dramatic, historical, humorous and serious.

First prize went to Audrey Coombs, who presented "Camille," second prize to Grace Beverage of North Haven who gave "The Courier of the Coast."

Others taking part were: Gloria Skocz, "Quality," Pauline Thayer, "Home Talent Rehearsal," Marilyn Carver, "Mary Stuart," Norma Phillips, "A Mad Tea Party," Erma Witherspoon, "The Tell-Tale Heart," Ada Bray, "Alma Martyr," Phyllis Thayer, "Little Orphan and Christ Baby," Geraldine Robertson, "There Was a Man," Carolyn Greenlaw, "At the Opera," Dorothy Thayer, "The Painter of Seville."

All the speakers were excellent in enunciation and delivery as evidenced by applause of the large appreciative audience. Much credit is

due Miss Margaret Kinley of Vinalhaven High School faculty and Miss Conley of North Haven High for their efforts in coaching the students.

SEARSMONT

Mrs. Ada M. Hawes has returned to her Summer home here after spending the Winter in Augusta.

THOMASTON

Mr. and Mrs. Roland Ware and Lieut. and Mrs. J. Edward Marks were hosts to members of the We-Two Club Monday night at the home of Mr. and Mrs. Ware in Rockland. Apple blossoms were used for house decorations and various games were played with late lunch concluding the evening. Those attending were Mr. and Mrs. Forrest Grafton, Senator and Mrs. Albert Elliot, Mr. and Mrs. Forest Stone, Mr. and Mrs. Robert Mayo, Dr. and Mrs. P. R. Greenleaf, Dr. and Mrs. E. R. Moss, Mr. and Mrs. Warren Knights and Mr. and Mrs. Elmer Ingalls.

Mrs. Faye Stetson, president of the Star Circle of Grace Chapter, O.E.S. was the completely surprised guest of honor at a miscellaneous shower party given at her new home Tuesday night following the meeting of the Circle at Mrs. Avis Brazier's. The business meeting having been concluded, the group did Red Cross knitting, refreshments were served and the meeting supposedly adjourned. Mrs. Stetson, on her arrival at her own home, therefore, was amazed to find the same group gathered there to welcome her. A coffee table was laden with numerous other lovely gifts for her new home. The committee was Mrs. Avis Brazier, Miss Helen Duncan, and Mrs. Edna Young and others attending were Mrs. Selma Biggers, Mrs. Alice Macgowan, Mrs. Josephine Stone, Mrs. Macolin Spear, Mrs. Emma Young, Mrs. Leila Smalley, Mrs. Margaret Stone, Mrs. Blanche Lermond, Mrs. Margaret Field, Mrs. Dorothy Libby, Miss Helen Stetson and Miss Helen Studley.

Mrs. Weston Young and Mrs. Stanley Macgowan are spending today at Pleasant Point guests of Mrs. W. G. Maloney.

The Garden Club will meet this afternoon at 3 o'clock at the home of Mrs. C. E. Shorey, the subject to be "Narcissus and Tulips." All members of Williams-Brazier Post and Auxiliary are requested to meet at the Federated Church Sunday night at 6:45 to attend the union Memorial service to be held at 7.

The Baptist Mission Circle met Tuesday afternoon at Mrs. Lucy Sillery's. In the absence of Mrs. Marie Singer, the program was led by Miss Emma Stackpole. Those present were Mrs. Abbie Shaw, Mrs. Minnie Newbert, Mrs. Susie Newbert, Mrs. Minnie Wilson, Mrs. Dora Kallach, Mrs. Grace Andrews, Mrs. Gertrude Lneken, Mrs. Letitia Starrett, Mrs. Clara Sawyer and Mrs. Edith Kilborn. Mrs. Kallach assisted the hostess.

An Appreciation

I wish to express my appreciation of the patronage and many acts of kindness shown me by the customers of the Thomaston Ice Company during my 18 years of business. And may I also express the hope that the same consideration may be shown Ralph and Lawrence Carroll who are conducting the business during my absence for active duty in the U. S. Navy.

Will Review Book

Mrs. Arthur D. Welch of Portland will review the book "Beau Brummel" at the Communion breakfast to be held Sunday at Wadsworth Inn by the Sodality of Our Lady of Good Hope in Camden. Mrs. Welch has been active in the promotion of cultural and uplifting literature and has appeared on women's club programs throughout the State. Rev. John Cummings, spiritual director of the Sodality, will give a brief address, also Mrs. John T. Hughes, prefect. Miss Gertrude Howard, chairman of the Eucharistic community, is supervising preparations.

In serving refreshments at the close of the program. The next meeting will conclude the series for the season, and the place will be announced.

The Epworth League is presenting a program Tuesday at 8 o'clock at the Federated vestry, the proceeds to go to the fund for sending delegates to Kent's Hill this Summer.

Moving Barley Twice
Wild barley is a pretty plant for a short time after it heads but later on we pay a high price for its beauty. Mowing closely twice a summer usually keeps it from seeding much and gradually weakens the roots, permitting better grasses to take possession, unless on very hard dry areas.

Gay Dance Recital

Doris Heald To Present
Pupils At Camden Opera House—Hula Numbers

That old adage "Nothing new under the sun" will be disproved Tuesday night at the Camden Opera House when the Doris Heald Dance Recital launches new entertainment in the form of a musical playlet called "Cinderella Ballet," and a graceful color pantomime of Blue Hawaii. In the latter, Mrs. Heald will give an original Hawaiian Dance in swaying Hula style.

A comedy skit by a "strawberry blonde" and "city dude" provides the team of Beverly Cogan and Robert Bishop first class material for their talents; while in another gay number done in Gypsy fashion the whirling artists will be: Minnie Tranquillo, Virginia Harvey, Polly Osier, Jane Carter, Patsy Kelley, Carlene Eaton, Nancy and Hope Cunningham, June Pettapiece, Toby Perry, Carolyn and Joan Chisholm, Elaine Hilton and Constance E. Randolph.

Each of the 50 students in the school individually or in groupings, will exhibit her dancing steps in colorful settings, brilliant lighting and to musical accompaniment by the studio pianist, Mrs. Abbie Folland. The program is in six parts, designed to include every form of dancing from soft shoe tap to modern minuet.

At the conclusion of the recital an award of a gold pin with ballet figure will be made to the student having sold the most tickets.

There will be no reserved seats.

Sixty-Third Knox County
W.C.T.U. Convention Was
Full of Inspiration

(By Mrs. Clara Emery)

The 63rd annual convention of the Knox County Woman's Christian Temperance Union, convened in the First Baptist Church, Rockland, Monday, Miss Margaret Crandon, county president in the chair and all the other officers present. Five Unions were represented.

Worship service was conducted by Mrs. Edith Tweedie who brought a helpful message on "Unselfish Service."

Greetings of welcome were extended by Mrs. Clara Emery, local president, and response was made for the convention by Mrs. Elizabeth Newbert of Appleton. Greetings from the State president, Mrs. Augusta Christie, were read by the corresponding secretary, Mrs. Clara Sawyer, expressing her regret at not being able to attend the convention, but hoping to meet with them at some near date.

The president gave a review of the county activities for the year, mentioning that she had visited all of the Unions and found them actively interested, and carrying on some departments of the work. L.T.L.'s were being conducted in Union and Appleton. The removal of Mrs. Nina Leach, president of the union at Tenants Harbor, was much regretted.

Institutes had been held in Rockland and Thomaston, also a public supper for the purpose of raising money for the work. There had been no outside speaker in the county, but local pastors and members had spoken in the schools and other meetings.

The report of the secretary showed the membership was being sustained, and the treasurer's report all bills paid and substantial balance on hand.

Miss Luella Grace Patterson, musical director of the church, favored the assembly with a piano selection. Luncheon was served to 30 delegates and visitors, by Mrs. Hattie Bickmore, Mrs. Lena Stevens, Miss Edwina Jipson and Mrs. Minnie Cross.

Rev. Vaughn Overman of Rockport, conducted the worship service of the afternoon program taking for his theme "The Clouds of God." Mr. and Mrs. Overman sang a duet "His Eternity."

Miss Sylvia Adams, winner of the medal in the Junior High speech contest, gave her declamation, "Headed Right."

Miss Grace Leigh Scott of Greenville, Ind., National W.C.T.U. field secretary and guest speaker of the convention, addressed the assembly on "Building a New World."

Modern dictators have a pattern for building a new social order—a pattern that calls for the survival of the strongest and most fit.

Hitler is seeking to build up the German people into a strong and superior race. For the past seven years he has had doctors investigating the causes for deaths. They found that many were dying prematurely from a disorder called "kidney shellac," caused by drinking beer made from hops, that contain a resinous substance not dissolvable by the human fluids. So instead of beer Hitler is commending the drinking of fruit juices, especially sweet apple

juice, and milk, to build up strong bodies for strong nations. The fact that France fell, largely due to alcoholism in the army, is commonly acknowledged and the new Vichy government is putting a ban on use of alcoholic beverages by all army and political officials.

Frances Willard had a vision of a new social order when she said every child has a right to be well born. This right begins with a physical and mental heritage passed down from the grand sires. This is being recognized and laws are passed to safeguard the child—one of the more recent but very necessary laws now active in many states, know as the marital law, requiring examination tests as to fitness for marriage, to guard against mental and physical defects in children due to effects of venereal disease and alcoholism in the parents. The States are building more and more institutions to take care of the feeble minded mental units, little children being hidden away because unfit for self support or social contacts.

America's strength does not lie in her battleships or defenses against foreign foes. Her strength is in her rising generations. Will they have the heritages of strong bodies, clear minds and spiritual ideals to carry on? The American democracy depends on what the child of today is being built up in. The home, the school, the church must unite in building foundations for character, putting aside prejudices and false pride must build up in self control and obedience to law.

Rev. Roy Clark of Appleton sang a tenor solo, "In Him".

The report of executive meeting was accepted as follows: Directors of departments—Christian Citizenship, Mary Perry Rich; Alms house and Evangelistic, Mrs. Christine Dorr; Flower Mission and Relief, Mrs. Leila Clark; Sunday School Work, Mrs. Edith Richards; Temperance and Missions, Mrs. Kate Brown; Literature, Mrs. Gertrude Oliver; Fairs and outdoor meetings, Mrs. Jeanette Duntun; Institutes, Mrs. Etta Fernald; Motion Picture and International Relations, Mrs. Clara Sawyer; Child Welfare, Alcohol Education and press, Mrs. Clara Emery; L.T.L., local presidents.

Officers for ensuing year: President, Miss Margaret Crandon; Thomaston; vice president at large, Mrs. Clara Emery, Rockland; corresponding secretary, Mrs. Clara Sawyer, Thomaston; recording secretary, Mrs. Elizabeth Newbert, Appleton; treasurer, Miss Leola Robinson, St. George; auditor, Miss Mabel Fernald, Thomaston.

These resolutions were adopted. That we commend the work in Christian citizenship being done in the state by Supt. Frederick Smith.

That we commend the renewed temperance teaching being given in the Sunday Schools and recommend increased emphasis on this effort.

That we promote the program of alcohol education in the schools and Sunday Schools.

That we continue our efforts to combat the aggressions of the intrenched liquor traffic at every point possible.

That we seek to enlist the interest of our younger women in the churches for the work of this organization.

That we extend our thanks to the First Baptist Church for use of the convention to the Rockland Union for the luncheon and all other courtesies.

Etta M. Fernald, Clara T. Sawyer, Clara S. Emery.

Misses Helen R. Burns and Maureen A. Burns were among the energetic workers at the Catholic Women's Club rummage sale Saturday. Their names were inadvertently omitted from the committee list.

When a young man is undecided about what color combination to choose this summer, we tell him how he can't go wrong.

Try a blue-ash sport coat... a white shirt and a dark red tie.

No one ever beat that combination in this wide world... and no one ever will.

Now is the time for all good men to come to the aid of their country.

Mrs. E. E. Barde arrived Tuesday at the home of her parents, Mr. and Mrs. B. H. House. She was accompanied from Washington, D. C., by Mr. Barde, who is on an inspection trip of Government barracks, and after completion of his duties at other points, he will come here, returning with Mrs. Barde to Arlington, Va.

If you are stuck for
colors... take the
red, white and blue

When a young man is undecided about what color combination to choose this summer, we tell him how he can't go wrong.

Try a blue-ash sport coat... a white shirt and a dark red tie.

No one ever beat that combination in this wide world... and no one ever will.

Now is the time for all good men to come to the aid of their country.

This And That

By K. S. F.

As the years pass one finds that there is a use for every living thing, even moths. They help the merchants.

In Scandinavian mythology the word "Valhalla" is used to express the place for heroes slain in battle, a place where immortality is theirs.

It is said that the field of athletics is the best place to mould a boy's strength in character.

Walt Disney, always busy with his joy factory, will take the world by storm in his new creation of "The Reluctant Dragon," with Baby Weems the star.

Now for a new type of movie to be called the "puppetoon".

"That is a man of few words you may have heard?"

"Oh, yes. That is exactly what he has been telling me all evening."

The commencement speaker chosen for the University of Maine this year is Dean Carl E. Ladd of Cornell.

The Works Progress Administration now holds contracts for improving more than 350 airports at a cost of \$150,000,000 and that includes the one at Rockland.

It's hard to realize that a country like Denmark has six times as many people to the square mile as the United States which has been the home of so many foreign peoples and for so many years.

It will greatly disappoint this writer if "Montpelier" is not a popular and busy place this season. Each year has added to the knowledge of what General Henry Knox means to the history of this country's success in the early days. The President of the Knox Memorial Association, Mrs. Carl Snow, is doing a really great work in sowing seeds of historical truths in the hearts of the school children through these years of her vital connection with this memorial by having them visit in groups from every school in the county, "Montpelier" and take away in their minds and hearts new patriotism and love of the history of this nation's beginnings. A more enlarged knowledge of these early days would not hurt older citizens and had they full knowledge of the importance of this patriotic institution it is felt sure that the membership list would include many hundreds of Knox County citizens who are not already on that list.

The post office department issued 44 new stamps in 1940 but failed to give to the country the Gen. Henry Knox stamp that Maine residents have tried so hard to get.

Montana forests produced approximately one-fifth of all the Christmas trees used in this country in 1940. Maine did another fifth of this extensive business.

"Why, daughter, why have you taken off your shoes?"

"Oh, Mommie, they were so tired and they needed a rest."

That fine Christian gentleman Mr. Merrill who has done so much for Christ as a fellowman among the men of Portland and this State is to preach the baccalaureate sermon at Lee Academy.

Nicholas Murray Butler says that it is the crude and baseless doctrine of national isolation which today is at war with civilization itself.

Today there is an awakened interest in the old time simples for medical care, and with eyes opened to the value of vitamins one finds much vital health in the green salads that grow with little effort, and at least two sowings should be made of the leaf vegetables such as lettuce, endive, chervil, chives, curled cress and romaine.

Who knows the five varieties of saxifrage and how many of them grow in these parts? They are called the back bone of rock gardens.

I often wonder why the planes that fly about this section feel they must so constantly fly over the heart of the city and do their stunts. I watch them with pleasure mixed with fear for at best they are mostly novices in the art, all of course except the instructor. At Ellsworth recently their main street had a surprise message dropped from a plane by a U. S. Coast Guard. If someone had been in the direct spot this block of wood landed on, what would have happened?

CHARLES I. OXTON

Funeral services were conducted Monday afternoon at Good's Funeral Home in Camden for Charles Irving Oxtun, who for several years had been seriously ill at the Bangor State Hospital.

Mr. Oxtun was born June 2, 1869, son of John and Abigail Keller Oxtun of West Camden (now Rockport). He was married to Flora May Hayward of Rockland Aug. 3, 1893, and shortly afterward settled on a farm at Lincolnville Beach, where his widow and son, Raymond W. Oxtun, now live.

He is survived by his widow and four of his six children; Roy W. Oxtun, Mrs. Bernice V. Collemer, Arthur L. Oxtun, and Raymond W. Oxtun. He is also mourned by two brothers and two sisters: Walton Oxtun of Milton, Mass.; Edward Oxtun of Thomaston; and Adella Young and Susie Hemenway of South Hope; also two grandchildren, Edward A. Kobs and Frank S. Collemer, both of Lincolnville Beach.

Burial services at the Ducktrap Cemetery of Lincolnville followed the funeral conducted by Rev. Duncan Rogers of Lincolnville.

Miss Arlene Knowlton returned Saturday from Palm Beach, Fla., and Augusta, Ga., where she spent the winter.

Ruth Mayhew Tent

Holds Its Annual Inspection
and Impressive
Memorial Service

Ruth Mayhew Tent, D.U.V., held its annual inspection Monday night at Grand Army hall, with Mrs. Grace Lewis of Milo the inspecting officer. Two past department presidents were present, the Myra Dutch of Belfast, and Mrs. Ella Henderson No. 1 counsel of the department; also Mrs. Martha Gower of Belfast, past department inspector and five sons of veterans.

An impressive memorial service was conducted with Mrs. Jennie Pietroski in charge, assisted by Mrs. Bessie Haraden, the senior and junior vice presidents and four color bearers.

Remarks were heard from all visitors, and Mrs. Pietroski sang a solo "Sleep, Soldier Boy, Sleep." A skit by Mrs. Haraden was also greatly enjoyed. Emma White Barker Tent of Belfast extended an invitation to Ruth Mayhew Tent to meet with them for their inspection, which was held last night.

Supper was served, with Mrs. Helen Paladino as chairman, assisted by a committee of four.

WITH THE EXTENSION AGENTS AND THE KNOX-LINCOLN FARM BUREAU

Agriculture

Frank Flagg of Jefferson, a former 4-H Club boy, has been appointed as Dairy Herd Improvement supervisor for Knox and Lincoln counties. He replaces Donald Marks. Frank, as he is known to the agents of the Extension Service, was one of the outstanding 4-H Club boys. He has been leader and assistant leader of his local club. He has two county championships and three first honors in 4-H work. He has attended State Camp at Orono in 1939 as county winner of the poultry contest. He is now farming with his father in Jefferson and will continue his work on the farm as the supervisor position requires only 16 days a month.

Albion Wotton of Friendship reports a very satisfactory season in the hatching egg business. Mr. Wotton was one of the first breeders of Barred Rocks in the county and has a very good strain of birds. The following schedule has been arranged for pasture tours in the county: Tuesday, May 27, North Nobleboro at 10 a. m., Howard Sproul's at 11 a. m., at Wallace Spear's; Tuesday, May 27, at Jefferson at 2 p. m., D. Lee Shepherd's; Wednesday, May 28, Damariscotta at Round Top Farms, at

10 a. m., 139 at Joe Chapman's; Thursday, May 29, Camden, at Harold Nash's at 10 a. m. All times are daylight saving. In order to participate in the 1941 Agricultural Conservation Program, farmers either have requested conservation material (lime and superphosphate) or signed the participation sheet saying that they are to take part in this year's program. Farmers who have not done so should get in touch with their community committeeman or the Rockland office before June 30 as this is the final date.

Beekeepers and fruit growers of Maine are to meet at the Harris S. Woodman orchards at Winthrop and the Winthrop Town hall nearby on May 25, it is announced by Paul T. Caine and Lewis C. Berry of the Maine Beekeepers Association and the Maine Pomological Society respectively. The program will start at 10:30 and demonstrations of transferring package bees to hives will be given by County Agent Raymond H. Lovejoy, vice president of the Association and Prof. Charles O. Dirks, secretary. Mr. Lovejoy and Prof. Dirks will also show moving pictures on the realm of the honeybee and other subjects relating to orcharding and beekeeping. These coming to the

meeting will bring basket lunches if rainy, the entire program will be conducted at Winthrop Town hall.

With the Homes

Rug making has been the subject of several community meetings during the past week. At East Union Mrs. Lura Norwood, clothing leader, was in charge and gave the instruction in design in rugs, color combinations, how to measure and cut burlap and fasten it to the frame and how to hook. Mrs. Jennie Payson and Mrs. Hazel Brown served the dinner. The afternoon was spent in working on the rugs.

Mrs. Lillian Piper, clothing leader in Camden, reports that there was a great deal of interest in their rug making meeting. A good exhibit of hooked rugs, both old and new, were on display. The afternoon was spent in working on rugs, chair seats and mats. Mrs. Connie Gould, Mrs. Arthur Hunt and Mrs. Mildred Philbrook served the dinner.

Mrs. Belle Roberts and Mrs. Evelyn Ross of Owl's Head were in charge of their recent meeting on hooked rug making. Several of the members brought rugs in various stages of construction. After receiving instruction, the rest of the day was spent in hooking. Mrs. Constance MacPhail and Mrs. Florence Nelson served the dinner.

"Home Safety" was the subject of the recent Edgcomb meeting. Mrs. Marjorie Stone and Mrs. Mollie Sherman, who were in charge, explained things to do to prevent farm fires and what to do in case fires did start. Also, they gave a demonstration on fireproofing fabrics. They told that it was not safe to use gasoline for cleaning but carbon tetrachloride was safe and at the same time did the job just as satisfactorily. Sunshine bags were distributed as a novel way of raising money. From June to September each member is to put a penny in her sunshine bag for every clear day. At the September meeting, the bags will be turned in. Mrs. Arzetta Poole, Mrs. Mary Dunton, and Mrs. Lottie Richards served dinner.

Mrs. Winona Chase, home management leader in Sheepscot conducted their meeting on "Home

Safety." Fire hazards, fire prevention, and directions for fireproofing fabrics were discussed and directions given out. Everyone contributed to the subject matter by answering questions and relating personal experiences. It was reported to be a very instructive and interesting session.

R. C. Wernham, county agent, met with the North Edgcomb group May 15. Testing samples of soil and a talk on gardening was the program of the afternoon. Mrs. Mary Webb and Mrs. Charles Gray served the square meal for health.

"Kitchen Gadgets and Color in the Kitchen" were the subjects which Mrs. Bessie Hardy, home management leader of Hope, presented to her group last week. Favorite gadgets for making housework a little easier were mentioned by each member. In the afternoon, color combinations were discussed and a demonstration on stippling linoleum was given. Dinner was in charge of Mrs. E. N. Hobbs and Mrs. John Wilson. Perennials were exchanged by the members.

Mrs. Ruth Erskine, home management leader in Nobleboro, was in charge of the Kitchen Gadget meeting May 15. Mrs. S. T. Creamer, Mrs. George Oliver, and Mrs. Eleanor Hitchcock served the dinner. The next meeting will be on cheese making at Mrs. Wesley Nichols' home June 4.

The first pre-school children's clinic was held at Simonton, May 16. Nine children were examined by the field nurse, Miss Jessie Sutherland, and a physician. Mrs. Leone Nutting, foods specialist of the Extension Service, Orono, was present to talk with mothers concerning nutrition of their children. Mrs. David Wooster, Mrs. Frank Marcell, Mrs. Lillian Dunton, Mrs. Merle Miller, and Mrs. Lester Shibles, members of the farm bureau, assisted at the clinic.

Information on buying points and correct method of fitting shoes was given by Lucinda Rich, home demonstration agent, at the Damariscotta meeting last week. There was a good attendance of members present. Mrs. Irene Puffer and Mrs. Viola Osier served dinner.

White Will Run

Tells Friends He Will
Seek Second Term in the
U. S. Senate

Senator Wallace H. White, Jr., candidate for second term, does not appear disturbed.

U. S. Senator Wallace H. White will be a candidate for re-election in the Republican primary election of 1942 and it makes no difference whether one or 40 others seek the place, so he told friends during his present week-end visit to his home.

It had been generally expected the Senator would aspire to succeed himself, it clears the air and leaves his friends in an understanding position.

At this time there is just one announced opponent for the Senator to deal with, Arthur G. Spear of Portland, member of the Executive Council. Spear said his entrance into the fight was contingent on whether Gov. Sewall decided to oppose Senator White.

There have been rumors that Congressman Oliver of the first district might oppose Senator White next year, but friends of the Congressman are positive he has no such ambition.

"I'm a candidate for re-election," Senator White told his friends Monday.

SERIOUS SEED SHORTAGE

Finland's Suffering Did Not
End With Its Battle Against
Aggression

Still suffering from the effects of the Soviet invasion, Finland faces a serious shortage of seeds for spring planting, with thousands of families in desperate need of vegetable seed, it is disclosed.

The list of seeds required by the Finnish people was given out as follows:

Early cabbage, late cabbage, cauliflower, rutabaga, carrot, beet, peas, cucumber, spinach, lettuce, edible turnip and onion.

"Finnish suffering, unfortunately, did not end when her heroic battle against aggression did," a worker

here over the week-end said that he saw no reason to be disturbed over the situation.

He had heard all the talk about those who planned to oppose him. With the exception of Spear no one has been definite.

Senator White, now serving his second term in the Senate, went to Washington in 1917 as a Member of Congress from the old Second District, having been elected in 1916. He served in the House until 1931, when, having been elected to the Senate he moved into the east wing of the Capitol.

This makes him one of the ranking Republicans in Washington, whether you speak of the House or the Senate. He is way up in the ranks of senior senators and, as such holds very important committee position. With the return of a Republican Administration he would be one of the most important members of congress because of this seniority, for that counts big in both the House and Senate.

He is at this time ranking minority senator of some of the most important committees of the Senate.

During his career Senator White has been selected for many important special jobs. Presidents Harding, Coolidge and Hoover all sought his help on many matters and sent him to foreign countries on important missions. His work in connection with the Alaskan fisheries was one of the outstanding jobs. President Roosevelt, too, has called him in for special jobs where he figured that ability counted more than party position.—Sam Conner in the Lewiston Journal.

said, "As a result of the war, Finland, in spite of help already received, today stands in imperative need of food, clothing and other necessities in caring for and sheltering her 25,000 orphaned children, 20,000 permanently disabled veterans, plus many thousand war

wounded and 500,000 civilian refugees from the ceded territory."

Wages in Sweden have increased 50 percent this year.
